“HELP MAKE A DIFFERENCE”

On behalf of the Officers and Directors of the Georgia Oilmen’s Association, I invite you to “Help Make a Difference” by joining us in making GOA’s 20th Annual Golf Outing the best ever! The purpose of the golf outing is two-fold. It is to provide a day of fun and fellowship for GOA Active and Associate members and guests and to visit with Governor Brian Kemp and Lt. Governor Geoff Duncan.

You can make a difference through your participation! If GOA is to remain strong and capable of representing the wholesale petroleum industry, it will require the dedication and support of the membership. Therefore, I urge you to join with me in supporting this event. GOA has not raised member’s dues since 1979 while continuing to be a strong advocate for members on state and federal issues.

I look forward to seeing you on October 5th at the Athens Country Club in Athens, GA.
